'The Creative उत्सव'

Respected Sir/ Ma'am,

Greetings from **Basant Valley Global School**

To live a creative, life lose our bar of being wrong. Children are our biggest asset. This asset will take our country forward to new and better heights. The world we live in is a dynamic sort full of surprises. What is in store for tomorrow no one knows. So we need to prepare our new generation to be ready to face the unknown with ease.

Kshitij is platform created by Basant Valley Global School to receive and view the creativity of the young minds.

Let's break free from the old pattern of thinking connect with ourselves and engage the mind with new ideas. **Kshitij** gives wings to open the hearts and minds of the young ones and bring out the hidden talents. With this sense of nurturing togetherness, we would like to see your unique identities and inner capacities.

Wishing you my very best and looking forward to a little journey of joyful surprises from you!

Thank You
